A New Crop

A New Madrid county (Mo) farmer experimented with 33 acres of sunflowers last season, and after losing about a third of his crop owing to bad weather, he harvested and shipped out 27,576 pounds of seed, which he sold for \$1,103. He says he paid out but \$8 for help, hence his crop netted him \$80 per acre, less the rent paid.

The capital stock paid in in cash is \$458,550, and the gross assets \$3,059,734.

Suit Between Churches

In Harlan county a country Church is owned in partnership by a Methodist congregation and a Christian Church. The building needed repairs and the Methodists wanted to repair it while the Christian people were not ready. The Methodists had the work done and sued the other Church for their part. A legal fight between two Churches does not often occur.

THE Unprecedented Reductions On Our Suits and Overcoats

During this month has reduced our stock to such degree that we are fully convinced that if you do not come in soon you will miss the greatest bargains in Suit or Overcoat ever offered here. Our Mr. D. Hechinger's visit to the Eastern markets in a few days makes it doubly incentive to turn merchandise into money.

The first shipment of 1911 Spring Clothing received consists of about 300 Men's and Young Men's Pure Worsted Suits in blue, brown and black. These Suits were made to sell at \$16 and \$18. A lucky purchase for spot cash enables us to sell them for \$12.50. We want you to see them. "It will be an object lesson to you."

THE RIVER

Big Water in Sight—No Present Danger of a Flood

The warning sent out yesterday by Forecaster Blystone of Cincinnati regarding a flood should not be taken too seriously.

Like others before him, he is not altogether infallible.

River prognosticators in this section—and they are as liable to hit the mark as the other fellow—while admitting that a great amount of water is coming out of side streams and that the Ohio has made great leaps at various points, do not concede that a flood is at hand, weather conditions continuing as at present.

The river at this point may reach a stage something beyond 50 feet, and at that a great many people in the lowlands will be inundated, but anything like a flood is not anticipated.

The river at this point has raised 7.1 feet in the past twenty-four hours.

The water may come dangerously

near going over the banks and threatening our Aberdeen friends on Front street, but it is hardly expected with present weather conditions, so don't get nervous hastily.

Mr. and Mrs. Harry Tolle and family of East Second street are moving to Covington today to take up their permanent residence.

A two-year-old son of Mr. and Mrs. Robert Watson died of pneumonia yesterday at the home of the family on the farm of Mr. Watson on the Germantown pike. The funeral will take place today, the interment being at Shannon.

Miss Grace Anderson of Point-au-View, who has been a patient in the German Hospital, Kansas City, being treated by Dr. Minor, one of the most noted specialists of the United States, is reported cured. Miss Anderson and sister, Mrs. Davidson, will spend a week or ten days in Kansas City, guests of Miss Long, daughter of R. A. Long, the philanthropic millionaire, before returning to Kentucky.

Mrs. Charles Hopper entertained Tuesday afternoon in honor of Mrs. Charles D. Pearce, who will leave in a few days for Louisville.

Three Underwear Specials.

No. 1. Nainsook and long cloth gowns, cut full and beautifully trimmed. Both slip-over and button styles. These gowns at \$1 represent exceptional qualities.

No. 2. Several styles in lace or embroidery trimmed petticoats. Top of lingerie cloth, full ruffles of tucked India linen prettily trimmed. Only \$1½ and quite as attractive as \$2 petticoats of the usual sort.

No. 3. An exceptional line in quality and workmanship of 25c corset covers. Embroidery, lace and ribbon run beading form the decoration in many new and pretty trimming effects.

The special display of Muslin Underwear closes Saturday so it behooves every one interested not to postpone beyond Saturday night making their selections from this big value-giving stock.

Are You Among Them?

The women of Mason county so fully appreciate the tremendous money-saving inducements in our ready-to-wear department, our work

room suggests the season's height it is so crowded with orders. Still a good color and size assortment in Suits but very few Dresses and Coats, both women and misses, sold completely out. Alteration charges very moderate but our rule is positive and unchanged—that all work on reduced garments is charged for, whether it is altering or only fitting.

AND it was not so long ago that we were told that the Garden of Eden was located in Adams county!—Portsmouth Blade.

Cheer up. The women are not mixed up in the expose in Adams county, nor have the men even been "driven out of Eden." Judge BLAIR's attempt to play the part of the Lord Almighty so far hasn't brought any female to humble and prostrate herself at his throne. Judge BLAIR probably likes apples himself.

THE men who do a town more harm than good may be classed as follows: First, those who oppose improvement; second, those who run it down to strangers; third, those who never advertise their business; fourth, those who distrust public-spirited men; fifth, those who show no hospitality to any one; sixth, those who hate to see others make money; seventh, those who oppose every movement that does not originate with themselves; eighth, those who put on long faces when a stranger speaks of locating in their town; ninth, those who oppose every public enterprise which does not appear of personal benefit to themselves.

A KANSAS Editor sarcastically announces that he wants to buy a sack of flour, a pair of three-ply button trousers and a straw hat, and that he is ready to receive bids on the same. He says that is the way the merchants do when they want \$2 worth of job work.

THE Hon. JOHN C. C. MAYO seems to have all the money that he wants and all the religion that he wants, and now he is going after all the politics that he wants. He will get it. He should remember, too, that he can lose all his religion and much of his money by monkeying with politics.

TARIFF reform is a great thing, even in Iowa—until it begins to affect the prices of things we have to sell. Then it is different. We are, all of us, always ready to reform the other man's business, to reduce the other man's profits. But we want our own to be let alone. This is a selfish world, after all, and that is why no Tariff Bill will ever satisfy all of us.—Cedar Rapids Republican.

Good intentions are seldom negotiable for cash. Ask the lazy schoolboy why he doesn't study and advance with his class. He will tell you that he intends to—some time—but he never does. Ask any improvident man or woman why they don't save and lay up something for a rainy day. They will tell you that they intend to—some time—but they never do. Ask any slow, unprogressive business man why he doesn't discard his old antiquated ways of doing business and adopt new, up-to-date, progressive methods of sales and advertising. All such will tell you that they intend to, next week, or next month, or next year—but they never do.—Cover Chat.

BIRD WITH BIG BILL.

"Papa, did you ever see a little bird with a big bill?"
"Yes, son, I once ordered a quail on toast at a fashionable restaurant."

Mrs. Frances J. Heeney, who died recently in New York, was the wife of the famous attorney of San Francisco and the daughter of Mrs. John McMullen, who was a recent guest of the Cartmell family in Maysville. Mrs. McMullen was born in Fleming county, but has resided in California for many years. Miss Lottie T. Fox of this city was an intimate friend of Mrs. Heeney while in San Francisco.

WHEN HER BACK ACHES.

A Woman Finds All Her Energy and Ambition Slipping Away.

Maysville women know how the aches and pains that come when the kidneys fail, to make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all of these disorders. Here's proof of it in a Maysville woman's words:

Mrs. John Burns of Maysville, Ky., says: "I value Doan's Kidney Pills just as highly today as when I gave a statement for publication in their favor some years ago. I was subject to attacks of kidney trouble and at times the pain in my back was so acute that I was confined to my bed for days. The prompt relief I received from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have since elapsed, I have had no serious return of kidney trouble. On some occasions, I have felt a slight backache, but a few doses of this valuable remedy have never failed to ward off any bad attack."

Cured Splint
"I have used Sloan's Liniment on a fine mare for splint and cured her. This makes the third horse I've cured. Have recommended it to my neighbors for thrush and they say it is fine. I find it the best Liniment I ever used. I keep on hand your Sure Colic Cure for myself and neighbors, and I can certainly recommend it for Colic."—S. E. SMITH, McDonough, Ga.

Cured Thrush.
MR. R. W. PARISH, of Bristol, Ind., R. No. 2, writes:—"I have used lots of your Liniment for horses and myself. It is the best Liniment in the world. I cured one of my horses of thrush. Her feet were rotten; the frogs came out; she laid down most of the time. I thought she would die, but I used the Liniment as directed and she never lies down in the daytime now."

SLOAN'S LINIMENT
should be in every stable and applied at the first sign of lameness. You don't need to rub, it penetrates.

PILES BRING DESPAIR

TAKE COURAGE! INTERNAL TREATMENT WILL CURE

Piles make life unhappy and ruin the best disposition. Most sufferers have been bitterly disappointed by many failures to find a cure. A medicine in tablet form, taken internally, that avoids the unpleasant features of ointments, suppositories and operations, and cures thoroughly by removing the inside cause, is surely worth trying, especially as J. James & Sons and druggists everywhere guarantee it. Dr. Leonard's Hem-Roid costs \$1 for a large box—24 days' treatment. Dr. Leonard Co., Station B, Buffalo, N. Y. Write for booklet.

Delightful Furniture

Low in Price

The Furniture in this store is notable for its artistic excellence of design, its thorough construction, its sturdy qualities.

While some of the finest pieces evolved by the furniture maker's art are represented on our floor, there are many more of moderate beauty at an unusually moderate cost.

No advertisement of ours could give more than a haphazard selection from the score of artistic and useful things in this store.

Attorney Stanley Reed is wearing a broad smile and is in a general good humor with himself and the world at large this morning, and the cause of this happy condition is the fact that the Stork visited his home in Market street last night and left him a fine son—John A. San Francisco Wins Exposition

WASHINGTON, January 31st.—The House of Representatives today decided in favor of San Francisco and against New Orleans as the city in which an Exposition to celebrate the opening of the Panama Canal in 1915 shall be held.

On final vote the San Francisco resolution passed by a vote of 259 to 43.

The advocates of San Francisco are claiming that their fight is won and that the Senate will ratify the action of the House.

San Francisco won by capturing the Republican vote in the House.

Precautionary Measure

In another column of today's LEDGER will be found an advertisement from Mayor J. Wesley Lee calling attention of owners of dogs to the necessity that they be muzzled. The measure is a precautionary one and should be heeded. Only last week a dog said to have been affected with hydrophobia created consternation with residents in Fifth street by snapping and biting everything that came in its path, and was finally killed, but that another confined in close quarters and will be dispatched. There are too many worthless canines running at large and a decimation of the worthless curs will be a good thing for the public at large.

DIRECTORS' MEETING

Bluegrass League Will Discuss Schedule of the 1911 Games and Arrange Business Details

Representatives of the different concerns manufacturing baseballs have been invited by President W. C. Usery to send representatives and give bids on furnishing supplies.

President Usery declared that all indications point to the most successful season in the history of the League.

Books Spring a Leak

Have News.

The following story is told on one of Murray's devout citizens, whose name we are cautioned not to disclose. It is related that the aforesaid citizen is very much noted for his assistance at revivals in rounding up mourners and marching them up to the front. One day he anxiously inquired at the express office for a box of "books," and seemed greatly disappointed when told it had not arrived. Much to his surprise a week later he received the following message: "Come and get your books. They're leaking."

FLOOD CHECKED

At Headwaters By Cold Snap—Rivers Falling at Pittsburgh

PITTSBURGH, January 31st.—The crest of the flood passed Pittsburgh today at 6:45 o'clock and the Monongahela river, which put out the dangerous amount of water, is now falling.

At its highest point the river was 25.2, and in two hours had lost the decimal.

The failure of the water to reach expectations is due to a sudden cold snap.

Comparatively little damage was done.

The stage of the river at Cincinnati will pass the danger line—50 feet—Thursday morning.

Life Isn't

Worth Living

When This Statement is Made It May Be Generally Attributed to the Lack of Good Health

We want to talk to people who are nervous, who suffer frequent headaches, who don't enjoy their food, who are irritable, quickly lose their temper, who are so exhausted that they feel they must give up, and have become so dependent that life doesn't seem worth living.

Most of the above described conditions are chiefly caused by what is commonly called catarrh, a "below par" condition of mucous membranes. This delicate lining of certain of the body cavities becomes weakened, inflamed and congested until the whole system is weakened, mental depression ensuing as one of the results. The wise way to overcome this condition is through a treatment of the general system. We have the treatment, and are so positive it will produce the results we claim for it that we will supply it to any one with the understanding that we will return to them every penny paid in every instance where the treatment is not in every way satisfactory and beneficial to them.

We want you to try Rexall Mucu-Tone, which is a scientifically devised alternative tonic and body builder, its action being to aid the body in its efforts to re-establish the natural and healthy functions of the mucous membranes.

Rexall Mucu-Tone thus acts to expel the "catarrhal poison," restore the mucous cells to good health, tone up the whole body, allay inflammation, remove congestion and stimulate the system to healthy activity. It is splendid for aiding in the building up of flesh and muscle tissue and removing weakness.

Come to our store and get a bottle of Mucu-Tone, and after giving it a reasonable trial, if you are not satisfied, simply tell us so, and we will hand back your money without question. Surely nothing could be more fair than this. Rexall Mucu-Tone comes in two sizes, 50c and \$1.00. Remember you can obtain Rexall Remedies in Mayville only at my store—The Rexall Store, Thos. J. Chanoweth, Second and Sutton streets.

MAYSVILLE LOOSE LEAF TOBACCO MARKET

Loose leaf tobacco sales yesterday amounted to 247,900 pounds. Average price \$8.00 per hundred.

The market was strong but the offerings continued poor.

The Farmers' House sold 127,900 pounds at an average of \$7.07 cents per hundred.

The Tuck-Bo House had on sale 185,000 pounds but on account of a block only 110,000 pounds were actually sold at an average of about \$8.00.

Memorable Tragedy

Last night was the fourteenth anniversary of one of the most atrocious and cruel murders noted in criminal history—the murder of Pearl Bryan by Jackson and Walling in Cincinnati in 1897. One of the actors—an unwitting one, however—in that awful drama, is now a resident of this city, George Jackson, the transfer man at the New Central Hotel. George is now driving a white horse to his transfer wagon as he did on that memorable and never-to-be-forgotten night, and recalls with horror the terrible tragedy in which he was in a manner participant, unwilling though it be.

Rosy As a Girl

Summitt, N. C.—In a letter received from this place, Mr. J. W. Church, the Notary Public, says: "My wife had been ailing for nearly 12 years from female ailments and at times was unable to leave the house. She suffered agony with her side and back. We tried physicians for years without relief. After these treatments all failed she took Cardui and gained in weight at once. Now she is red and rosy as a school girl." Cardui as a tonic for women has brought remarkable results. It relieves pain and misery and is the ideal tonic for young and old. Try it. At druggists.

Has been greatly reduced in thousands of homes install parts of Uncle Sam's broad domain this winter through the use of

THE PECK WILLIAMSON UNDERFEED FURNACES AND BOILERS

The reason is plain. Cheapest slack in the Underfeed gives as much clean, even heat as the most expensive grades which ordinary heating plants require. All the fire is on top and has to eat down into the fresh coal underneath against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed Furnace and Boiler users to effect an every year saving of 50% to 66%. Why give this good coin to the coal man? Put it in the Underfeed and let
